Nancy, Kelsi, and Lincoln –

The CEC is ready to issue a public announcement on the CEC Counsel Session which will identify several events open to the public (JPAC Public Forum, opening event/welcome reception, public Townhall, and exhibition). I wanted to make sure you were aware of this and had everything you need in order to work with OITA to finalize. Please let me know if that's not the case.

Also, I wanted OPA to be aware of a FOIA request the agency received relating to this year's CEC Council Session. Responsive documents will be ready for awareness review by this week.
